

SWEET

DREAMS

Peter Murdoch

I recently discovered the images of these hand coloured icing panels. The panels were produced as part of 'Circumstantial Evidence' an installation work at the Experimental Art Foundation, Adelaide, in 1983.

The images on the found slide transparencies were of variable quality and though digital modification can make a difference to their reproduction, some remain less than ideal.

Hopefully the intent remains clear.

Cheers, Peter.

SEVEN DEADLY SINS

Anger.

Avarice.

Sloth.

Pride.

Lust.

Envy.

Gluttony.

SEVEN HEAVENLY VIRTUES

Faith.

Charity.

AUTO-BANK

Fortitude.

Justice.

Temperance

Prudence.

Satisfying temptations
can be sweet,
but our destiny
we'll eventually meet.

If our life be good or bad,
happy or sad,
Our life will only be,
the one we've had.

Sweet Dreams
